Warden Christensen,

I submitted a hand-written "request to staff" form to the warden in January 2021 regarding Compassionate Release pursuant to 18 U.S.C. section 3582. To this day, I have still not received a response granting or denying relief. Have you had a chance to consider and move my request?

Please consider this re-submitted request for compassionate release pursuant to 18 U.S.C. section 3582. Thank you.
